CEO leadership statement

It is with pleasure I present to you the Shire of Quairading EEO Management Plan.

This EEO Management Plan has been developed in accordance with Part IX of the *Equal Opportunity Act 1984* and is aligned with the Director of Equal Opportunity in Public Employment's EEO and Diversity Outcome Standards Framework.

An inclusive and accepting workplace has benefits for all employees. A diverse workforce will attract and retain quality employees, which translates into effective business decisions and effective service delivery.

Our Plan is the foundation for a working environment free from harassment and discrimination. Through the implementation of this Plan we will strive to build a workforce and supporting organisational culture that reflects the diversity of the greater community. Our Plan is a live document that we will continue to develop and build on for our future success.

I encourage all staff to embrace equity and diversity within the organisation. We value EEO/diversity and aim to ensure that the work environment is free from racial and sexual harassment and that employment practices are not biased or discriminate unlawfully against employees or potential employees. Our employment programs and practices recognise and include strategies for EEO groups to achieve workforce diversity.

I look forward to ongoing commitment and involvement from all staff in implementing this EEO Management Plan.
