

My name is Trevor Stacey and I am nominating for a councillor position in the upcoming local government election. I am living on a farm and am married to Mary with one son, Jake.

I enjoy being involved with the local theatre group and supporting the local football club.

Having completed one term as a member of council I believe I can make a further contribution to the strategic direction of our community. I have enjoyed seeing recent infrastructure projects in and around Quairading come to life and also to see visitors to our town using our new facilities.

As a long term resident I am proud of our community and my goal is to see it continue to be a great place to live, work and play.

I can be contacted on mobile 0429 969 420 or email squid023@hotmail.com
