

Candidate Profile

Eejiun Cheang (EJ)

I arrived Australia in 2008 to finish my degree at Curtin. I have since worked across Perth & Regional WA as a Pharmacist.

I moved to Quairading in 2016. The warm response I received emboldened me to stay in Quairading.

In 2019, I went to UWA to complete my MBA and was awarded the Tracey Horton Award for my academic achievement that year.

I returned to Quairading in March 2020. I am grateful for the community acceptance, which encouraged me to nominate for Councillor. I believe that my job puts me in a position to ensure easy access for residents to express their concerns.

In the latest Strategic Community Plan, access to health services & economic development are both included among the high priority list voted by the community. I am eager to make a contribution & promote growth in our community.
