AMP's Tomorrow Fund

Amount: \$5000—\$100,000

Due Date: 17th May 2018

About: AMP is looking for people who have a talent or a passion for something that will ultimately benefit Australia – whether that's a scientist who is developing innovative technology, a social innovator with a community enterprise in mind or a singer who wants to take their voice to the world stage.

AMP Tomorrow Fund grants can fund a diverse range of activities. The money could be used for training and travel costs associated with competing in a sport, study assistance while you work on research or small business funding for an innovative idea. You should have a good idea of what it will cost to take your project or passion to the next stage.

Saluting Their Service: Community Commemorative Grants

Amount: Up to \$4000

Due Date: 3rd July 2018

About: The Australian Government is inviting organisations through an open non-competitive process to apply for grant funding under the Community Commemorations Grants Program.

The Program is designed to preserve Australia's war-time heritage and to involve people throughout the nation in a wide range of projects and activities that highlight the service and sacrifice of Australia's service personnel in wars, conflicts and peace operations, and promote appreciation and understanding of the role that those who served have played in shaping the nation.

The objectives of the Program are to acknowledge and commemorate those who served Australia and its allies in wars, conflicts and peace operations.

FRRR ABC Heywire Youth Innovation Grants

Amount: Up to \$100,000

Due Date: 14th May 2018

About: In 2018, FRRR and our donor partners are again offering \$100,000 in seed funding to assist not-for-profit community-based organisations in rural, regional and remote Australia adopt and act on one of the seven innovative Heywire project ideas. The communities selected to pilot the programs will implement their projects in the next 12 months from September 2018.

Community groups are encouraged to apply here to the FRRR ABC Heywire Youth Innovation Grants Program to bring to life the ideas developed at the 2017 Regional Youth Summit. The seven ideas are:

C2C Connecting to Culture – how can we bring generations together to celebrate Indigenous culture?

Bridging AgriCulture – how can we connect new Australians with agriculture?

HOPE – how can we make schools a place where it's ok to talk about mental health?

Taking Control – how can we teach young people the difference between a healthy relationship and an unhealthy one?

Yeah the Boys – how can we support boys to stay away from drugs?

MediFriends – how can we bring medical professionals and their communities together?

Step Up – how can we inspire disengaged young people to take the first step on their journey to success?
